A horizontal row of four pieces of nigiri sushi. Each piece consists of a white rice base topped with a slice of pink salmon. The salmon is cut into thin, slightly curved pieces. The background is dark, making the white rice and pink salmon stand out.

has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

The image has a solid dark blue background. In the center, there is a very faint, blurry watermark-like image of a cat's face, showing its eyes, nose, and mouth. At the bottom left corner, the word "jau!" is repeated five times in white, sans-serif font, stacked vertically.
